From sowing seeds to becoming self-sustaining trees — The Story of Swadharma Summer School 2020

During the summer of Covid-19, Swadharma alumni and facilitators collaborated to organize a 5-week online program to explore the individual and its parts of being - the mind, the emotions, the senses, the energies, and the body. We build daily life practices, shared, made new friends, and re-established ourselves in our Swadharma. Here is a short account of how the summer school took birth and what happened through it!

New Initiatives

On August 15, 2020, the Auroville Campus Initiative, the team behind Swadharma, launched five new initiatives.

Auroville Campus Fellowship, the next step after Swadharma
Auroville Campus Initiative has been organizing Swadharma for four years now. Eight batches have gone through the immersive intensive course. Now we wish to take our next big step.

In 2021, we are launching the Auroville Campus Fellowship. The fellowship will invite students to immerse themselves in Auroville for a longer duration, so they stabilize in their learnings and go out in the world to become integral change-makers, transforming self, society and environment. It is our seed attempt to transform higher education.

To support the fellowship programme, donate now at https://www.aci.auroville.org/contribute

If you feel inspired by our vision to transform higher education, donate now and share this campaign widely. Each donation is an investment in the future of education.

Integral Education (IE) Portal

The Integral Education Portal newsletter series was launched on August 15 with its first theme: Gratitude. All Portal subscribers, receive biweekly tiny newsletters with videos and practices on the theme of the month which helps them grow integrally in their emotions, body, mind and soul.

Subscribe to the IE Newsletter at https://ie.auroville.org/#subscribe

Here is a feedback from Sidra (batch 8) on the first newsletter series on Gratitude:
“Just saw the video on gratitude and it was amazing. I’m so grateful to learn about gratitude. It has changed my perspective. So I started this “Grateful Sunday” thing with my batch and most of them participated. And it felt amazing. So, I want to thank the newsletter and its videos for being so amazing. 🌸”

Dear Swadharma Tribe,

We are now a community of 120+ Swadharmis, each on a unique journey. We are all like leaves of a tree with common roots. To facilitate new bonds and connections with people across Swadharma batches, we are starting ‘Know Your Tribe’, where you will be paired up with another swadharma participant on a zoom call.

We have observed during Swadharma Summer School that this 1-on-1 connection in a safe space created inspiring, meaningful and deep conversations. So, we are making this a monthly event.

How it works:

1. Register on the google form here: [https://forms.gle/5ggTGW5W7hZ9hzeB7](https://forms.gle/5ggTGW5W7hZ9hzeB7)
2. Join the zoom link on 19th Sept 8 PM-9 PM IST. Click [here](https://zoom.us/j/318087923) [Meeting ID: 318 087 923]
   
   **Password:** summer2020
3. You will be paired into different breakout rooms with other participants during the session.
4. The session becomes a starting point for lifelong connections!
